- Use one of the two options below for listing all purchased foods and beverages sold in school stores, kiosks, and any other similar school-based enterprises that sell foods and beverages, including milk, juice, water and other beverages, yogurt, snack items, baked goods, fruits and vegetables, and all other school store foods and beverages.
 - Option 1 (Preferred Method):** Print and attach to this form the appropriate pages of the Connecticut State Department of Education's (CSDE) [List of Acceptable Foods and Beverages](#), highlighting all foods and beverages that are sold in school stores. If you use this option and school stores sell any items that are not on the CSDE's list, you **must** list them on this form.
 - Option 2:** List below all purchased beverages and foods that are sold in school stores. Include all flavors/varieties of each item sold and list each flavor/variety as a separate item. For example, if the vending machine sells sea salt pita chips and honey wheat pita chips, list each one on a separate line. Do not list items as "assorted flavors" or "assorted variety." Do not use abbreviations.
- Scan this form (with the appropriate lists of foods and beverages if using option 1). Name the file in this format: "<insert name of district> HFC FB List Store." For example, "ABC District FB List Store."
- E-mail to susan.fiore@ct.gov by **November 30, 2016**. In the e-mail subject line, indicate "<insert name of district> HFC FB Lists." For example, "ABC District FB Lists."
